## New Member - Manx Cable Company Limited

LSBUD is pleased to welcome Manx Cable Company as the latest asset owner to choose to register its assets on the service.

LSBUD will ensure that Manx Cable Company's assets are protected against the increasing number of enquiries received through the site which is now over 1.5 million per annum.

## Member upgrades

A number of our existing Members have also elected to use the **Hosted Plan Response** service which allows them to respond quickly and efficiently to your enquiries.

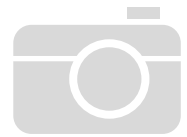

## Calendar Competition

As we're in prime holiday season, please ensure that you continue to take Larry on your travels and test your creative side to ensure that his adventures are captured for us all to enjoy!

All you need to do is to send a photo to [enquiries@lsbud.co.uk](mailto:enquiries@lsbud.co.uk); the winning entries will all receive a prize as well as being published in the 2016 calendar.

### Tips for success:

Quality	At least 5 megapixels
Orientation	Landscape orientation
Focus	Larry and backdrop are in focus
People	No people are visible
Brands	No brands are shown

Please see the photos below taken from our 2015 calendar for inspiration, taken in all locations from Scotland to the Grand Canyon!

## 2015 Events

We've already had a busy year of events and enjoyed meeting you all (some again but plenty of new faces) and are glad to see that Larry remains as popular as ever!

If you haven't seen us yet, please click [here](#) to check the events page on the website to see where we're going to be next.

### 2015 events for your calendar:

#### West Midlands HAUC Roadshow

Thursday 24 September 2015

Thursday 25 November

### UtilityWeek Health & safety conference

## New publications

We've worked hard on producing this image to represent LSBUD and the many scenarios where LSBUD should be used; please let us know what you think at [enquiries@lsbud.co.uk](mailto:enquiries@lsbud.co.uk).

We're also developing an animated video which we hope to have by the end of the year.
