

Welcome New Members

LineasearchbeforeUdig is pleased to announce 2 new members to our service, they are:

Spiecapag and Concept Solutions People (CO Centara).

SPIECAPAG-UK Limited (SUL) is a wholly owned subsidiary of SPIECAPAG and are part of the large and multi-disciplined ENTREPOSE Contracting group of companies, whose head office operations are also based in Paris. Spiecapag offer a wide range of feasibility, design to construction options to the oil, gas, water, petrochemical and industrial sectors of business within the UK.

Concept Solutions People (CSP) are a leading business solutions company that can supply services from basic fibre and copper installations all of the way up to fully managed IT outsourcing contracts.

Functionality (Hints/Tips)

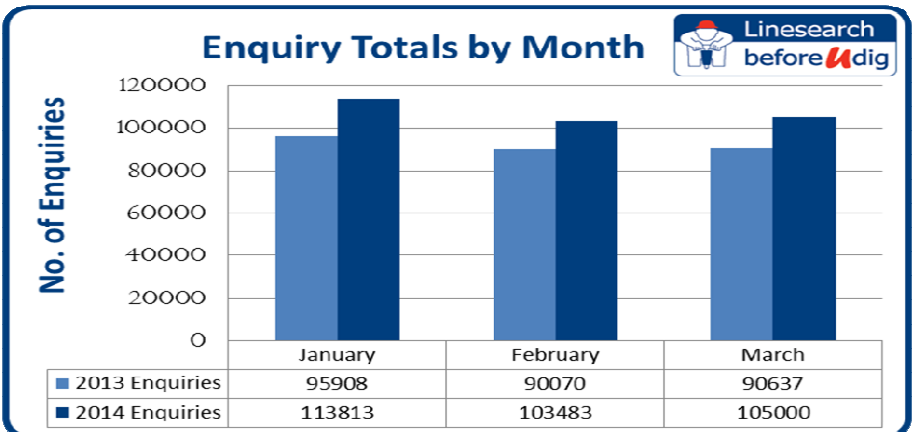

Did you know you can save time and effort if you need to resubmit an enquiry?

Once you have logged into LineasearchbeforeUdig click on the History button. Here you can search for previous enquiries and then you will have the option to resubmit these enquiries.

Quarter 1 enquiry volumes on the up!

Enquiry volumes are ever increasing, we have seen a 16% increase in Quarter 1 enquiries compared to Q1 2013 numbers.

Gamma have upgraded their responses

LineasearchbeforeUdig member Gamma have recently upgraded their response system to the LineasearchbeforeUdig Hosted Plan Response (HPR) service, this means that any enquiries affecting Gamma's network will receive their response back within approx. 10 minutes.

Lineasearch.org is closed

The Lineasearch.org website has now closed, please note that if you used the site in the past you are still able to use it to view your historical enquiries.
