Good Morning All

We would like to thank each and every one of you for your continued support. This first quarter (Jan-March) has been a very busy period for LSBUD, with record enquiry volumes and bringing on plenty of new members.

In our previous newsletter we mentioned SGN and UKPN had chosen to protect their assets with us. We are delighted to inform users that SGN assets are **now live** and UKPN is expected to go live during Q2.

Please see the below for updates:
